

ESU SMEAC and GAS PLAN V1

Type of Service: Security for Trucker Protest/Convoy 2022

Authorizing CIC: Superintendent POTVIN

SMEAC Created By: PC PATERSON / PC KLOPPENBURG

Assistance Requested By: Windsor Police Service

Date of Execution February 27, 2022 **To:** March 6, 2022

SITUATION

Situation:

A group of protestors had created a blockade on Huron Church Rd blocking traffic to and from the Ambassador Bridge starting on the 7th of February.

These protestors and their vehicles were obstructing, interrupting and interfering with the lawful use, enjoyment and operation of this international crossing and committing the criminal offence of Mischief.

Also, on Friday February 11th, 2022 at 1900hrs, Chief Justice Geoffrey B. Morawetz granted a court injunction. The document, states anyone having notice of the order is prohibited from "impeding or blocking access to the Ambassador Bridge, and indirect or direct approaching roadways and access points". The injunction is in place indefinitely.

The injunction authorized police or "designated agents" to remove any vehicles, personal property, equipment, structures, or other objects that impede or block access to the bridge, and approaching roadways.

It also allowed for the arrest and removal of anyone the police had "reasonable grounds to believe was contravening, or was contravened, any provision" of the order, although they can be released if they agree to obey the order.

People are free to engage in peaceful protests that don't impede or block access to the bridge or approaching roadways, the order states.

Those protestors and blockades were removed with the help of other Ontario police service Public Order

Units, the road/bridge have since been reopened and traffic is flowing at this point. With the assistance of numerous units
ESU has been tasked with dealing with any persons or vehicles driven by protestors who are committing the criminal offence of Mischief and contravening the injunction order by removing any persons or vehicles who are in contravention.

Justification for ESU

ESU is trained in vehicle interdiction and extraction of persons who refuse to exit vehicles upon request.

Special Considerations (Children, dogs, etc.)
